

NDIS cleaning in Melbourne

A beautiful clean. Down to the last detail.

Home cleaning for NDIS participants, planned around your routine and the rooms you need help with.

Photographed by our cleaners at the end of a recent job in Melbourne.

Checked cleaners.

NDIS Worker Screening clearance

The nationally recognised check for people who work with NDIS participants.

Police check

A current police check for every cleaner.

Working with Children Check

A current check for every cleaner.

How it works.

01

Get in touch.

Call or email us yourself, or ask a family member, carer, support coordinator or plan manager to contact us for you.

02

Tell us about your home.

Your suburb, the rooms you need help with, the times that suit and anything we should plan around.

03

Agree the details.

We confirm what each clean covers and give you a quote before anything is booked.

What we can help with.

- Bathrooms, showers and toilets

- Kitchens, benchtops and stovetops

- Ovens

- Bedrooms and living areas

- Floors throughout the home

- Rooms you'd like extra attention on

Photographed by our cleaners at the end of recent jobs in Melbourne.

Funding and your plan.

If you're using NDIS funding, check with your plan manager or support coordinator how cleaning fits in your plan before you arrange a clean. You don't need to send your NDIS number, plan documents or health information to get a quote.

Let's talk about your clean.
